**For any questions, please contact:** Eva Mejjere, "Smart Living" project manager in the Vidzeme planning region, [eva.mejjere@vidzeme.lv](mailto:eva.mejjere@vidzeme.lv), +371 29374285

**NB! Please register yourself to participate >> [HERE](#) <<**

Registration will be open until 3 October 2022, and it will be closed at 3 pm. Don't be late!

*The experience exchange event is organized within the framework of the Interreg Estonia-Latvia cross-border co-operation program project "Practical solutions for smart energy use" (Smart Living). In Latvia, the project is implemented by the Green and Smart Technology Cluster and the Vidzeme Planning Region, and in Estonia by the Tartu Regional Energy Agency.*

**FYI** - Do you know how to measure your energy efficiency at home? Try Smart Living interactive online tool <https://www.livingsmart.io/>. Free of charge. Available in 3 languages – Latvian, Estonian, and English.
